WELCOME TO CODEONE, ENJOY YOUR SHOPPING

CODEONE is an online shop specializing in home and giftware items, which are carefully selected from merchants around the world. We have set our focus on the quality, originality and the style of every piece.

CODEONE Collections

From affordable luxuries to personalized treasures at a variety of tastes, budgets and age groups, all delivered to your home or office in no time. Check out our exclusive selection of pure copper tabletop that is guaranteed to spark your party organization skills or the rustic carved root wood collection that is unique, ecofriendly and delightfully scented. For the little ones, Codeone takes pride in its selection of nontoxic wood toys that range from newborns and above, in addition to our quality brand of adorable and super soft stuffed animals.

CODEONE Image

We are certain that part of the joy of receiving or giving a gift, should be appreciated from the moment you lay your eyes on it. For this we have put an extensive effort into packaging our items in the most fashionably attractive and environmentally friendly ways.

The CODEONE Attitude

At Codeone your satisfaction is our priority and we intend to make your shopping experience simple, fast and flawless! Our team of customer service professionals is always there to help. So don't be shy to reach out for enquiries, special requests or additional information about our products.

CODEONE Inspiration

Our children and our home inspire us every day, from finding the perfect toy that will make a child flip with excitement, to dressing our living and dining rooms with the latest trends. We believe that luxury living should be within reach of all budgets.
